Hello Everyone!

Peace and love of the Lord Jesus!

I would like to express our deepest gratitude to your Filipino Catholic Chaplaincy (with Fr. Ely Dalanon as chaplain) for donating 4430 Euro in cash for the relief of the victims of the strong earthquake in Bohol, Philippines. Me and the parishioners of Saint Michael the Archangel Parish in Jagna, Bohol have committed ourselves to help and to deliver relief goods and housing materials to the earthquake victims as much as we could. Your significant cash donations will help us a lot during this most difficult time of our history in the province of Bohol.

Again, thank you so much. May the Good Lord bless and reward your generosity a hundredfold.

Serving in Jesus' name,  
(Signed) Rev. Msgr. Alberto S. Uy, E.V. Parish Priest, Jagna, Bohol
